To Whom it May Concern

Draulico Mechanical is Robson Earls main plumbing contractor . They took over in the spring of 2000 and I feel very strongly about the excellent work they have done for earls and would highly recommend Draulico to any business that enquires.

Joe Ciulla was introduced to me by an Earls, who he had helped with major plumbing problems that we shared. Joe came in did a free assessment of the building and guaranteed he could fix the problems. Within 1 month Joe had the problems fixed and has lowered our annual plumbing costs by over 60%.

Draulico has also done miscellaneous electrical work for us and I have been very pleased with the quality of workmanship and professionalism of all his technicians.

Please feel free to call me at anytime at 604-669-0020
